

North Carolina Entheogenic Gathering:

Connecting People with Sacred Earth Medicine

192 Lorax Ln, Pittsboro, NC 27312

SUNDAY Nov 6th / 1PM - 8PM
Hosted at "The Plant" in Pittsboro, NC
www.theplantnc.com

Purpose:

- ✓ Explore together a community of thought leaders and specialists working with plants and alternative therapies to manage mental wellness.
- ✓ Provide a forum for people/plant and alternative medicine workers to come together to share ideas and success stories.
- ✓ Discuss advances in clinical studies with Psilocybin and Ketamine therapies.
- ✓ Introduce "living case studies" of positive outcomes with ketamine and psilocybin therapy to educate and inspire.
- ✓ Provide information on decriminalization status of psilocybin that people can support.
- ✓ Explore the emerging topics relating to "microdosing" and psilocybin and provide information to the common consumer.
